

RCSC Meeting General Agenda

June 16th, 17th and 18th - 2010

Wednesday, June 16th-

Meeting for members of the Executive Committee - 2:00 pm to 5:00 pm.

Note: The Old Tavern has a café for lunch before the meeting.

Applied Bolting will host a dinner for the Executive Committee and their spouses on Wednesday night, details to follow.

Thursday, June 17th-

7:00 am to 8:00 am - Breakfast (made to order and included in room price).

8:00 am to 12:00 pm - Specification Committee Meeting, Grafton Elementary School (5 minute walk). Note: School is NOT air conditioned; I might recommend open collars and short sleeves. 10:00 am - Snacks, coffee and refreshments.

10:00 Bus for spouses (and kids) for the Grafton Cheese facility in Brattleboro, brown bag lunch, and then a visit to the Vermont Country Store in Rockingham.

12:00 pm to 1:00 pm - Lunch at Phelps Barn (walk back and forth for lunch).

1:00 pm to 3:30 pm - Task Group Meetings (to be scheduled by task group chairs). The Specification Committee meeting might use some of this time if needed.

Snacks provided before we board a bus for the Factory Tour

4:00 pm - Bus to Applied Bolting

4:30 pm to 5:30 pm - Tour of Applied Bolting

5:45 pm - Bus back to The Old Tavern

7:00 pm to 9:00 pm - Dinner at Phelps Barn hosted by Applied Bolting. Spouses and children are welcome to join. This is heavy passed hors d' oeuvres including everything from cheese and crackers to wood fired lamb chops, cedar plank salmon and scallops.

Friday, June 18th

7:00 am to 8:00 am - Breakfast (made to order, included in room price).

8:00 am to 12:00 pm – Main Meeting, Grafton Elementary School (5 minute walk). Note: School is NOT air conditioned; I might recommend open collars and short sleeves. 10:00 am - Snacks, coffee and refreshments.

12:00 pm to 1:00 pm - Lunch at Phelps Barn (walk back and forth for lunch).

1:00 pm to 2:00 pm – Technical/Research presentation. Presentations may start before lunch, time permitting.

Grafton Elementary School has WiFi, the Inn will provide a projector, screen and power strips for computers.

We will provide a list of extra activities and dining options for those staying the weekend.
