

The following summary provides the preliminary details for the RCSC annual meeting, which will be held June 17-18, in Grafton, VT. More info will follow in the near future.

Lodging:

Our host is Applied Bolting, and our arrangements will center upon:

The Old Tavern

92 Main St., Grafton, VT 05146

800/843-1801 (note: they may only answer the phones from 8am – 4pm EST)

<http://oldtavern.com/>

We have the whole hotel blocked until April 15th, but this is a quaint (small) hotel, so please make your reservation as early as possible. Applied Bolting has generously agreed to subsidize the cost of your room, and the resulting rate is \$99 per night for the nights of June 16th and 17th; \$170 other nights. A suite upgrade can be chosen for an additional \$50.

We do have other hotel options, if The Old Tavern rooms are consumed.

Flights and Driving:

The location is more remote than the meetings we've held in recent years, so please consider that as you make your travel plans. In about a month, we will poll arrival and departure locations and times to help you set up carpool groups as permitted by logistics.
